

INFLATED NEWS PLAY & ATTRACTIONS APPOINTS INPAS 2010 SHOW CONTRACTOR

Inflated News Play & Attractions is pleased to announce that it has appointed Anchor Exhibitions from Leicester as the show contractor for INPAS 2010 at Stoneleigh Park Exhibition Centre on the 16th – 17th March 2010.

Inflated News Play & Attractions owner and show organiser Peter Grand said “Our inaugural show in 2009 was extremely successful despite a number of problems with our show contractor, Black Cat Exhibitions from Devon. Having taken advice from Stoneleigh Park and other show organisers I am pleased to appoint Anchor Exhibitions who will be providing our carpet, shell scheme and technical support. Our electrical contractor is yet to be appointed but we expect to complete negotiations by the end of this month” Peter continued “Despite the current economic climate exhibitors are snapping up space as they realise the importance of INPAS 2010. We have made a number of changes to make the show accessible to smaller manufacturers. We will also be moving the show to a Tuesday and Wednesday to make it more accessible for Local Authorities, Play Centres and attractions to attend. The layout will be similar to INPS 2009 although we shall be using a different entrance and also have a larger outdoor site. We are extremely excited about INPAS 2010 and look forward to welcoming new exhibitors and visitors.”
