

### INPAS 2010 dates released

Following the success of INPAS 2009 Inflated News Play and Attractions is pleased to announce that INPAS 2010 will be held at Stoneleigh Park Exhibition Centre on Tuesday 16<sup>th</sup> and Wednesday 17<sup>th</sup> March 2010

Show organiser and owner of Inflated News Play & Attractions, Peter Grand, said, " following the unprecedented success of INPAS 2009 there was little doubt that we would repeat the show and I am pleased to confirm that we will be returning to Stoneleigh Park for INPAS 2010. Bearing in mind the current economic climate we are using the same facilities as we did in 2009 and will be making some changes. We are hoping that we will be able to match the standard set in 2009 and increase the range of products on show. After much deliberation we decided to move the show to a Tuesday & Wednesday to facilitate visitors from all sectors of the play industry.

Full details of the show will be made available through the show web site [www.inpas.co.uk](http://www.inpas.co.uk) ".
