GS ENGINEERING ANNOUNCES PRODUCT LAUNCH

GS Engineering Ltd has chosen the UK Play & Attractions Expo to launch not one but three new products.

Show Co-ordinator Peter Grand said “we are extremely grateful that GS Engineering have chosen our inaugural show to launch the latest additions to their product range and are extremely excited to see what they are. Those who know the GS Engineering range know that their innovative ideas always create a buzz within the hirers within the industry.”

GS Engineering will also have their extremely popular rodeo bull and other products on display.

Any company interested in exhibiting should contact the Inflated News office on 01442 245700.
