

UK PLAY & ATTRACTIONS EXPO

PRESS RELEASE 4

SHOW NAME CHANGE - REGISTRATION COMPANY APPOINTED

Inflated News announced today that Trade Shows International Ltd had withdrawn from the forthcoming trade show at Stoneleigh Park. Peter Grand, Inflated News owner said, " Unfortunately Trade Shows International Ltd have today withdrawn their involvement in our trade show after failing to sell the space we had allocated to them. It is particularly disappointing for us as we have started our publicity machine and we now have space to sell.

This development has not affected the show in general and it has opened up other avenues for us.

We have made the decision today to rename the show and it will now be known as the **UK Play & Attractions Expo.**"

In a further development Inflated News has announced that it has appointed the Index Group to handle the registration for the show and the new system will be launched later next week.

Any company interested in exhibiting should contact the Inflated News office on 01442 245700.
